

Comprehensive Social Media Code of Conduct Undertaking for Techno India Students

In the interest of fostering a positive and respectful online environment, Techno India has put forth a comprehensive social media code of conduct. As a student of Techno India and in association with my guardian, I hereby undertake and pledge to adhere to the following detailed guidelines:

1. Responsible Digital Presence:

- I shall exercise caution and thoughtfulness in my online interactions, ensuring that my posts, reactions (like etc.), comments, and shared/ forwarded posts in digital domain do not reflect disrespect in any manner for Techno India's values and reputation.
- I will refrain from posting any content in any form/ representation, including but not limited to texts, images, videos, audios, graphics, animations, logos, or language, that could potentially harm the brand image or goodwill of Techno India on social media platforms, streaming sites and other digital platforms.

2. Cybercrime Awareness and Data Protection:

- I pledge to prioritize data privacy and protection, taking necessary precautions to prevent unauthorized access to personal information shared online.
- I commit to maintain awareness of cybercrime risks, including but not limited to phishing scams, identity theft, online harassment, and other forms of malicious activities, and will promptly report any suspicious incidents to appropriate authorities.

3. Ethical Engagement and Digital Citizenship:

- I acknowledge my role as a responsible digital citizen and vow to engage in ethical online behaviour, refraining from cyber bullying, hate speech, or any unlawful activities that violate the sanctity of digital spaces.

4. I will represent Techno India positively through my online presence, upholding the institution's values of integrity, accountability, and respect in all virtual actions/ interactions.

5. Defamation and Punishable Offenses:

- I understand that any attempt to defame Techno India through defamatory posts on social media platforms is regarded as a punishable offense, subject to disciplinary action in accordance with institute regulations.
- I will abstain from engaging in any online behaviour that undermines the integrity or reputation of Techno India, recognizing the serious implications of such actions.

I,

..... (Name/Stream/Roll No.) affirm that I have thoroughly reviewed and comprehended the aforementioned guidelines and commit to abide by them in the digital realm. As a guardian of the student, I, (Name/ Relationship with the student) provide my full support and ensure that the student adheres to the principles articulated in this code of conduct.
